Dr Fanyana Mtunzi (**Senior** *Lecturer)*

BSc(Hons) MSc(NWU) PhD(NMU) ADHE(UFS)

Contact

Section : Organic Chemistry

Office : J201a

Campus : Vanderbijlpark

Tel. No : +27(0)16 9506690

Fax. No : +27(0)16 9509794

E-Mail : fanyana@vut.ac.za

- Organic Chemistry 3
- Organic chemistry 4

Education and Training

- Senior Lecturer at VUT, 2008 – To-date
- Lecture, North-West University, 2005 – 2008
- ADHE, 2012, UFS
- PhD (Chemistry)-2007, North West University, Mafikeng, South Africa.
- MSc, 2004, North West University, Mafikeng, South Africa.
- BSc (Hons), 2003, North West University, Mafikeng, South Africa.
- BSc, 2002, North West University, Mafikeng, South Africa.

Research Interest

My research is Medicinal Plants and environmental Chemistry. In Medicinal plants we study Phytochemistry, Antibacterial, Antifungal and Antioxidant properties of different plants with medicinal properties. In the environmental Chemistry, we develop methods for the analysis of different pollutants in water, soil and air.
