

External Vacancy

CAMPUS: Secunda

DEPARTMENT: Electrical Engineering

POST: Lecturer Electrical Engineering X 2

POST N^o: 7991 and 8214

Post Level: (08)

JOB DESCRIPTION:

The candidate appointed in this position will play a leading role in the academic and didactic development of the Department: Electrical Engineering.

Key Performance areas (KPA) include but are not limited to:

- teaching and coordinating subjects as delegated by the head of department;
- providing academic support to learners and dealing with related teaching management tasks;
- engaging in and stimulating departmental subject and other relevant research projects;
- managing community service projects;
- initiating student workshops and short courses;
- participating in subject advisory committee meetings;
- liaising with industry and other stakeholders to improve the quality and standard of services delivered and keeping abreast of developments in the all legal fields;
- managing personal, departmental / academic administration;
- compiling and offering relevant short courses;
- coordinating and assessing work integrated learning;
- attending various departmental and faculty meetings;
- coordinating subjects related academic activities at Vanderbijlpark; and
- attending to part time and full time classes.

The candidates should be prepared to work after hours if necessary. Applicants are required to indicate on their CV's or applications to what extent their qualifications and experience meet the requirements of the post as set out above. Short-listed candidates may be required to give a practical demonstration of specific skills required for the position.

Application Criteria:

Qualification/Experience:

Relevant master's degree with at least 5 years' work experience in Electrical Engineering and preparedness to obtain a doctoral degree within a specified period.

Skills:

- Excellent English language, communication and interpersonal skills, a high level of disciplinary expertise, computer literacy and experience in vocational practice.

Closing date for applications: 26 May 2017

Submit CV by hand to Carmen Titus or e-mailed to carment@vut.ac.za.

Please Note: The application must be accompanied by a CV, identity document and ORIGINAL certified copies (not older than 3 months) of educational qualifications. Submission of such copies entitles Vaal University of Technology to authenticate the qualifications without any further consent from the applicant. Candidates with foreign qualifications must also submit the South African equivalent of the qualification. These qualifications are evaluated by SAQA. Vaal University of Technology is an equal opportunity and affirmative action employer, which is committed to the implementation of its employment equity plan. Therefore people from designated groups are encouraged to apply. If you are not contacted within three weeks after the closing date, please accept that your application was unsuccessful.
