

VAAL TRIANGLE TECHNIKON

**POLICY : CHAIRING OF MEETINGS
OF COMMITTEES OF THE COUNCIL
OF THE VAAL TRIANGLE TECHNIKON**

In the absence of the Chairperson of a Committee of the Council, the meeting would be chaired either by the Vice-Chancellor and Rector or the Chairperson of the Council.

This arrangement is necessary to avoid delays or postponements of meetings.

It is also necessary that, whoever chairs the meeting, is familiar with the issues and the business of the meeting.

In this instance the interest of the Institution has to be served prudently.

The above arrangements should not be the norm and will be applicable when the need arises.
