Final Mark by University (average)			

\*This mark must be given and signed by the employer! This mark is important because it shows the evaluator of the University how the student copes in practice as well as how the knowledge of the student improved over time.

**The student should be competent (>50%) in at least FOUR of the specific practices above, if not the report will be referred back to the student for rectification.**

**Note to mentor:** The total marks achievable is 100%, i.e. 25% for each minimum of four specific practices as specified in the guidelines. Should the learner cover more than four categories in the report, they will all be evaluated and the final mark converted to a percentage.
