GENERIC ADMISSION REQUIREMENTS

To pass a National Senior Certificate (NSC) you must have written the following examinations:

One Home Language

One Home or First Additional Language

Mathematics or Mathematical Literacy

Life Orientation

3 x other subjects

And achieved 40% in three subjects, one of which is an official language at Home Language level;

DIPLOMA:

To qualify for admission to Diploma Studies at a University, you need to pass the National Senior Certificate, with an achievement rating of 3 (moderate achievement, 40%-49%) or better in four recognised NSC 20-credit subjects, and a minimum 30% in the language of learning and teaching of the Higher Education institution concerned.

BACHELORS:

To qualify for admission to Bachelor's Degree studies at a University, you need to pass the NSC with an achievement rating of 4 (adequate achievement, 50%-59%) or better in four subjects chosen from the designated subject list determined by Higher Education, with a minimum of 30% in the language of learning and teaching of the Higher Education institution concerned.

Minimum statutory admission requirements- NC(V) 4

Prospective candidates must meet the minimum statutory requirements for students in possession of an NC(V) 4 qualification, as set laid out in the prescripts of the Government Gazette no. 32743 of 26 November 2006, to be eligible for admission to a diploma i.e. 50% in three fundamental subjects, one of which must be English; and 60% in three compulsory vocational modules.

Candidates must note that, according to Section 37 (i) of the Higher Education Act (Act 101 of 1997), the decision to admit a student to higher education study is the right and responsibility of the higher education institution concerned. *This implies that individual institutions may set additional admission requirements for specific programmes.* For example, the course must include Accounting with a minimum of 50%. Applied Accounting is not accepted.

Admission requirements for students with N3, N4, N5 and N6 qualifications.

The following admission requirements apply:

A candidate with an FET N3, N4, N5 or N6 certificate may qualify for admission to the first year of a diploma qualification in marketing, retail management, logistics, sport management, accountancy and human resource management:

- based on his or her seven best subjects for N4/N5 or N5/N6 and a minimum of 50% for English at N3 level. However, a candidate must meet the minimum admission requirements, including the language requirement (50%), on VUT scoring scale (see table 3 below).
- A candidate with an N3, N4, N5 or N6 certificate does not qualify for any subject recognition.
- Subject recognition may be granted to FET students who have successfully completed their FET N6 diplomas. Such subject recognition will only be considered for first-year VUT diploma subjects and will only be based on FET N6 level diploma subjects completed successfully. These subjects must be passed at N4, N5 and N6 level with a score of 50% or above.
- Programme prerequisites must be met before a candidate will be admitted to a specific programme. The programme in Accounting must include Accounting with a minimum of 50%. Applied Accounting is not accepted.

Admission is based on the above minimum criteria, *with qualification specific additional requirements based on an academic point score*

(APS). The university calculates the APS as indicated in table 1.

4. LOANS

i) NSFAS LOANS

What is NSFAS?

The National Student Financial Aid Scheme (NSFAS) is a loan and bursary scheme operating in terms of Act 56 of 99 and funded by the National Department of Education. NSFAS has been established to assist academically deserving and financially needy students to achieve academic goals at tertiary educational institutions in South Africa, with particular concern in overcoming barriers created by structural disadvantage.

What does NSFAS offer?

- The means to obtain a tertiary qualification
- Loans at low interest rates
- Loans without guarantees
- A reasonable repayment plan

NSFAS convert loan (s) to a Bursary.

Up to 40% of the award may be converted into a bursary depending on your end of year results.

- If you pass all the courses for which you have registered, you qualify for a 40% bursary.
- If you pass three quarters of the course, you qualify for a 30% bursary.
- If you pass half of the courses, you qualify for a 20% bursary.
- If you pass one quarter of the course, you qualify for a 10% bursary.
- If you pass none of the courses, you qualify for no bursary at all.

What is a loan?

- A loan is the money you borrow to cover tertiary studies.- This loan has to be repaid.

Who qualifies for a NSFAS loan?

You can qualify for a NSFAS loan if you are:

- A South African citizen;
- Registered at a South African university or University of Technology;
- An undergraduate, studying for a first tertiary educational qualification; or
- Studying for a second tertiary qualification, if this is necessary to practice in your chosen profession; (e.g. LLB or HDE)
- Able to demonstrate potential for academic success;
- Financially needy;
- You will, however, be expected to make your own family contribution towards the total costs of your studies. (EFC)

How much money do you get?

- There is a minimum award and a maximum award, which is determined annually by NSFAS. Please enquire at the Financial Aid Office for the current limits.

Where do you apply for a loan?

At the Financial Aid Office of the Vaal University of Technology.

NOTE:

Interest on NSFAS awards is determined annually by NSFAS.

Closing dates:

Senior students (year and first semester courses) 04 October.

First year students (year and semester courses) 31 October.

Late first year applicants: 24 January.

Late applicants will **only** be considered for awards if funds are available.
