Guidelines for Student Accommodation Off-Campus Accreditation Providers

1. Purpose of the guidelines

The purpose of the guideline is to provide clarity on the accreditation processes to all the service providers of privately owned accommodation facilities around Vaal University of Technology and ensure that the university addresses the critical areas of risk associated with the provision of accommodation.

The guideline should be read in conjunction with the VUT Student Accommodation Off-campus accreditation policy and Norms and Standard for Student Housing at Public University (Government Gazette 39238, dated 29 September 2015) and the Higher Education Act of 1997.

This guideline does not replace or release any service providers of privately owned accommodation from any local, provincial and national legislation, which applies to any aspect of housing and students housing accommodation.

3.6 Admission Fee

The Accredited Private Student Accommodation Provider will be charged 2% for admission fee on the monthly basis.

3.7 Residence fees payable for accredited providers

5.3.1 Accredited Facilities: NSFAS Funded students

The **maximum** amount payable by a NSFAS funded student will be determined by the VUT NSFAS according to the NSFAS rules at the time and will be provided to the Accredited Private Student Accommodation Provider. The maximum amount for 2021 is R30 000 per annum, subject to NSFAS regulations, but may be reduced to the amount determined by the accreditation criteria as per individual accommodation facility.

4. Contractual Arrangements

4.1 Accredited Private Student Accommodation Provider and the students (NSFAS and Other Bursary)

- a) Students are required to enter into a lease agreement with an accredited accommodation provider.
- b) Please note that students using NSFAS funding have capped amounts allocated to them and that they may not be able to afford to pay the shortfall if the rental is more than the allocated amount. It will be in the interest of the accommodation provider not to charge rental fees that exceed the NSFAS allocation.

4.2 Non-Funded Students / Self Paying Students

- a) Students make their own arrangements with the Accredited Private Student Accommodation Provider for their accommodation requirements and settlements of their residence fees

5. Accredited Private Student Accommodation Provider and VUT

- a) No formal contractual arrangements will be made between VUT and Accredited Private Student Accommodation Provider. Payment arrangements will be made only in terms of these guidelines and the lease agreement between the student and the service provider.
- b) The University will not be liable for payments of students who have terminated their studies.
- c) In the event of death of a student during the year, the university will not be liable for further payments.
