# 2022 L+EARN Financial Education Programme

Are you a university student and want to manage your money properly? Well, we can help you **#SecureTheBag**. With the **2022 L+EARN Financial Education Programme** you could gain valuable financial knowledge and also stand a chance to win awesome prizes. Sign up now for this year's fun, enriching, interactive programme. We will walk with you on the path to financial independence.

**The programme includes:**

- An introductory in-person registration workshop at your university campus
- A series of interactive webinars
- A website repository of information and tools.

The programme will cover information on Budgeting, Saving and Investing, Cryptocurrencies, managing Credit and Debt, building a good Credit Profile, getting ready for the World of Work, Side Hustles and building an Entrepreneurial Mindset.
