**NOTICE 36**

**Dear LANDLORDS**

**NSFAS Sponsored Students at Accredited Properties**

Kindly note we have been receiving disturbing rumours that Landlords from Small Houses have given NSFAS funded students eviction letters with effect from 30 November 2023.

Please note that all accredited buildings are **not allowed to evict students** before the university closes just like the university residences. There are students who are waiting for exam results, some are consulting with lecturers and some will be writing second opportunity exams.

I am therefore pleading with those landlords to allow students to stay in their residences and focus on their exams until the 15<sup>th</sup> of December 2023.

Best regards

Residence Management.
